

ORDINANCE 118059

AN ORDINANCE relating to the Water Department; authorizing the issuance of requests for proposals ("RFP's") for consultant services to assist the Department in conducting facilities planning for the Cedar River treatment improvements, performing environmental assessments and environmental impact statement preparation for the new Cedar treatment plant, and developing a master plan for the Landsburg diversion facilities; authorizing the Water Department to negotiate contracts with the successful RFP proposers; authorizing the Water Department to enter into the negotiated contracts; and adopting a work program and schedule for carrying out the facilities planning phase of the Cedar program.

WHEREAS, on May 18, 1994, pursuant to Resolution 28918 the City and the Department of Health entered into an Agreed Order and Work Program to ensure ongoing compliance of the Cedar River source with the Surface Water Treatment Rule; and

WHEREAS, the City has now completed the work program which consisted of extensive Cedar River water quality and pilot studies which establish ozone disinfection as the preferred option for Surface Water Treatment Rule compliance and public health protection; and

WHEREAS, the City and the Department of Health have agreed on amendments to the Agreed Order which reflect the City's treatment recommendation and have established a new Work Plan for completing the facilities planning and environmental assessment phases of the Cedar treatment improvements program; and

WHEREAS, on March 11, 1995, pursuant to Ordinance 111142, the Council authorized the Agreed Order amendment with the Department Health; and

WHEREAS, completing a master plan for the Landsburg diversion facility with an estimated total cost of \$400,000, is an integral component of the Cedar facilities planning allowing a coordinated and comprehensive approach for treatment, water supply, and proposed fisheries and other facilities at Landsburg; and

WHEREAS, the facilities planning and environmental assessment work elements need to progress in order to meet the schedule set forth in the Agreed Order amendments; and

WHEREAS, the facilities planning, environmental assessment and Landsburg master plan contracts are estimated to total \$2.5 million for all three contracts, which is included in the Water Department's 1995-2001 authorized CIP; NOW
THEREFORE.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Water Department is authorized to issue Request for Proposals for consultant services related to conducting facilities planning for the Cedar River treatment improvements, performing environmental assessments and preparing environmental impact statements for the new Cedar treatment plant and related facilities, and developing a master plan for the Landsburg facilities; and to negotiate and enter into contracts with the successful proposers to the Request for Proposals.

NOTICE: IF THE DOCUMENT IN THIS FRAME IS LESS CLEAR THAN THIS NOTICE
IT IS DUE TO THE QUALITY OF THE DOCUMENT.

Subject to the limitations of Section 2, the scope of work of these contracts may be amended, supplemented or otherwise altered by mutual consent between the City and the consultants if needed to accommodate provisions or developments that arise during the Habitat Conservation Plan or Tacoma Intertie negotiations.

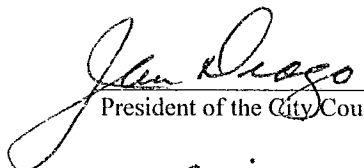

Section 2. The Water Department is authorized to enter into contracts for the facilities planning, environmental assessment and Landsburg master plan for a not to exceed total of \$2.5 million for all three contracts. The funds for these contracts are authorized in the Water Department's 1995-2001 CIP.

Section 3. The Water Department shall provide briefings to the Council Utilities and Environmental Management Committee on the Department's actual progress on the work program items and schedule. A preliminary work program and planned schedule representing major milestones in the implementation of the Cedar Treatment Improvements is provided in Attachment A.

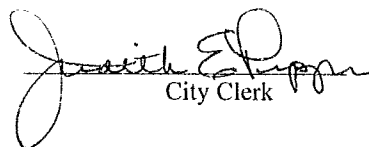

Section 4. Any act pursuant to the authority, and prior to the effective date of this ordinance is hereby ratified and confirmed.

Section 5. This ordinance shall take effect and be in force thirty (30) days from and after its approval by the Mayor, but if not approved and returned by the Mayor within ten (10) days after presentation, it shall take effect as provided by Municipal Code Section 1.04.020.

Passed by the City Council the 25 day of March, 1996, and signed by me in open session in authentication of its adoption this 25 day of March, 1996.

[Signature]

Dear Mr. Sidran:

The Mayor is proposing to the City Council that the enclosed legislation be adopted.

REQUESTING
DEPARTMENT: Water

SUBJECT: AN ORDINANCE relating to the Water Department; authorizing the issuance of requests for proposals (RFP's") for consultant services to assist the Department in conducting facilities planning for the Cedar River treatment improvements, performing environmental assessments and environmental impact statement preparation for the new Cedar treatment plant, and developing a master plan for the Landsburg diversion facilities; authorizing the Water Department to negotiate contracts with the successful RFP proposers; authorizing the Water Department to enter into the negotiated contracts; and developing a work program and schedule for carrying out the facilities planning phase of the Cedar program.

Pursuant to the City Council's S.O.P. 100-014, the Executive Department is forwarding this request for legislation to your office for review and drafting.

After reviewing this request and any necessary redrafting of the enclosed legislation, return the legislation to OMP. Any specific questions regarding the legislation can be directed to Rich Richmire at 684-8478.

Sincerely,

Norman B. Rice
Mayor
